**A DIRECTORY OF VOLUNTEER AND
SERVICE-LEARNING OPPORTUNITIES**

**"WHAT WE HAVE TO LEARN WE
LEARN BY DOING"**

PLEASE READ

Due to COVID-19, community partners are frequently modifying service-learning opportunities. Please reach out to the organization first before visiting to ensure there are still available options.

Organizations are also having high rates of turnover in employees/volunteers, so if you don't receive a response, contact organizations through their website. Also, reach out to our office – Center for Service-Learning and Civic Engagement and we will assist.

2021-2022 Community Partner LINK Directory

If you are considering an organization that is not listed, please consult the Center for Service-Learning and Civic Engagement.

NOTE: Some organizations offer students “double hours” when working weekends and holidays. Please note that only ACTUAL service-learning hours can be counted for courses offering service-learning and only ACTUAL hours are put on official EFSC transcripts.

DIRECTORY GUIDELINES

The Community Partner Link Directory is a dynamic listing grouped alphabetically, by area of interest, and by location. The listings are as complete and accurate as possible, however, because of additions or changes during the year; please consult our office for updates.

If you discover an inaccuracy or change, contact your area campus: Cocoa/Titusville: 433-7610 and/or Melbourne/Palm Bay 433-5610.

Some placements are more conducive than others for integration with academic courses. The Center's staff can assist you with this information. Although some opportunities are more related to some academic majors or career areas, most are excellent in helping and learning environments. Regardless of your major or career aspiration service-learning programs will benefit you.

Brief job descriptions are included in helping with your selection process. More detailed information, including contact information, is available at our office locations.

There is service, advocacy, leadership, research, and special short-term opportunities available.

Additional opportunities are possible.

- PROFESSIONALLY RELATED, e.g., veterinarian, attorney, media
- SERVICE ORGANIZATIONS, e.g., Rotaract Club, Phi Theta Kappa, Student Government
- SOCIAL CONCERNS, ISSUES, e.g., aid to the hungry/homeless or sick; protection of the environment; elimination of injustice or cruelty, resolution of community, national or international conflict; promotion of cross-cultural and human understanding, consumer issues.
- ONLINE RESOURCES: Many volunteer engagement websites feature organizations, events, and volunteer opportunities in Brevard County. There are a variety of volunteer sites that offer opportunities, a few are [Volunteer Match](#) or [Just Serve](#). Enter your location and area of interest to get started. EFSC students may receive service-learning credit for any hours served by a non-profit community service organization.

If you have a possible window of service-learning, let us know.
